Subject: Microsoft Office 365 – Information on DII Website – please forward to your users
Date: Friday, May 08, 2015 1:14:28 PM

We would like to introduce you all to the MS Office 365 Migration website! Our project team has been busy monitoring our project mailbox with questions from all of you and compiling those questions into a single document for future reference. In addition we have listed trainings from Microsoft on how to use the new applications as well as upcoming trainings we're coordinating.

The link to project website is: http://dii.vermont.gov/news_issues/projects/office365

Additionally, there is a link on the lower right side of the DII home page (www.dii.vermont.gov) that will also bring you to the project page.

We welcome your input and feedback on how this website can better serve your needs!
