IT Software Standards

Note that all prices are subject to change without notice.
In 2015 the State began our migration to Microsoft Office 365. Our new license model replaces traditional versions of Microsoft Office Standard and Microsoft Office Professional with subscriptions of Microsoft Office 365. We subscribe to two license models of the Office 365 Suite, G1 and G3. Further information on the functionality provided with each can be found here
http://dii.vermont.gov/application/desktop/ms365/licensing.
