

How to set up your Outlook account on an iPhone using the native IOS apps after creating app password

1. Go to Settings
2. Tap on Mail
3. Tap on Accounts
4. Tap on Exchange
5. Tap on your Exchange account
6. Enter your **App password**, then tap Done
7. A blue check will appear next each field if the password was entered correctly, it will automatically advance to step 8
8. Here you can choose what you want to sync on your iPhone
